Northwest Watercolor Society... Since 1939

Since its inception in 1939, Northwest Watercolor Society has strived to become one of the best national watercolor organizations through workshops, the International Open and Waterworks competitions, paint outs and by supporting our members in every way possible. We have achieved our goal! In fact, Northwest Watercolor Society is recognized as one of the top watercolor societies in the country!

Iain Stewart, our juror for Waterworks 2017, and a renowned artist and workshop instructor, said of this exhibition, "Congratulations to everyone who submitted works for this exhibition. The number and quality of the paintings were impressive and made my job, happily, quite difficult. I commend everyone who submitted... This is a spectacular exhibition and one that does credit to NWWS."
