2023 Annual Membership Exhibition

April 28 - June 30, 2023

Awards Reception April 28, 2023 | 5-7 pm

Northwest Watercolor Society, PO Box 50387, Bellevue, WA 98015 www.NWWS.org

#### The Northwest Watercolor Society (NWWS)

was founded in 1939 in Seattle, Washington, when a group of eight artists came together to form an organization dedicated to the celebration of watercolor.

From these modest beginnings, NWWS has grown into the internationally recognized, historically rich organization of today with a membership of over one thousand

Signature, Lifetime and Associate Members.

Due to the growth of the society and the addition of new members around the world, NWWS changed its mission statement in 2023...

To promote and elevate the art of watermedia and to encourage the growth and creativity of our artist members as we remain a prime artistic resource.

Waterworks *Online* — an annual exhibition — is exclusively for NWWS members, and showcases some of the best of the society's talented artists. Since the first Waterworks exhibition, quality and diversity have become its trademarks.

We are honored to present the NWWS 2023 Waterworks *Online* Membership Exhibition.

#### Juror David R. Smith

Thank you to NWWS for the invitation to be the juror for the NWWS 2023 Waterworks *Online* Membership Exhibition. Though I was honored with the duty, selection was an arduous task. As watermedia can be challenging, I was impressed by the quality of work. The chosen pieces will provide viewers a great taste of what can be accomplished.

Autumn Light

David R. Smith

Woodbury, MN / 22 x 30 / \$2800

With regard to criteria, many paintings have shown strong composition, interesting shapes, harmonious or impactful colors, strategic use of values, etc. But I also appreciated those who showcased the qualities one can accomplish with watermedia, such as unique textures and transparent glazes.

Lastly, I was impressed by the great skill, risk-taking, originality, and/or the thought-provoking paintings that tell a story or bring one into the scene.

There were many more worthy submissions than there were spots available. Thank you for sharing them and congratulations to the selected artists.

#### President's Message

Artists begin the same, with a few tools, similar colors, bucket of water, and a creative spark. And when the painting is finished, we see the magic of creativity, the magic of artists who began the same and ended with a beautiful piece unlike any of the other exhibited paintings.

This is a celebration of unique voices and the loving determination it takes to square off with a blank sheet of paper and create something we love, want to share, and that

others will admire. The 2023 Waterworks *Online* Membership Exhibition proudly presents 95 magical journeys from our incredibly talented members. *Please enjoy!* 

Selvorch Roskopf

**Deborah Roskopf, Acting NWWS President** (Deborah Roskopf's painting can be viewed on page 26)

Just when I think our wonderful NWWS member artists create the most gorgeous paintings we have ever seen in a membership exhibition, the next Waterworks exhibition comes along and the quality of the art is elevated even higher. NWWS is fortunate to have so

many very talented artists in our ranks.

This year we also elevated the number of entries we accepted into the exhibition, giving our members an even greater chance to take part in this opportunity. However, with 426 total entries, and 95 accepted, it was still hard for the juror to narrow down his selections! To all the members accepted into this Waterworks *Online* Membership Exhibition... *a heartfelt congratulations!* We are so happy to showcase your wonderful art.
